[Home](#) > Student Union

The Students' Union is a democratically elected union which is vested with the responsibility of organizing various activities for the benefit of the students. One of the senior most faculty is given the charge of the Associate Patron who coordinates the activities of the Students' Union at the College level. There are a number of constituent clubs and associations under the Students' Union such as Arts Club, Quiz Club, Nature Club and Planning Forum. Each of these constituents has elected Secretaries who are supported by a Faculty Member nominated by the Head of the Institution to oversee the activities of the clubs. The Students' Union organizes a wide range of programmes with the Co-operation of the Faculty, non-teaching staff and outsiders. They not only undertake cultural and educational programmes, but also programmes aimed at personality development as well as career development of the students. The Union activities enable the students to develop leadership qualities and organizational capabilities which go a long way as a capacity building support system.

One important component of the Students' Union is the Magazine Committee, which has an elected student secretary and a nominated staff editor from the faculty. This committee brings out Wall Magazines periodically and College Magazines are published every possible years. The Wall Magazines as well as College Magazines provide excellent opportunities for students to give expression to their creative thinking and imagination.

The Students' Union Councilors of the College also get the chance of getting elected as members of the University Union which is the counterpart of the College Union at the University level. Many of the students of CCBM were elected as office bearers of the University Union. Thus the students of this College are deeply involved in leading the KAU Union activities and could take advantage of this system for improving their personality, organizing capability and leadership abilities. The activities under taken by students union 2016-17, 2017-18 are as follows,
